

Notice to Land Owner

The Town of Federalsburg is making every effort to keep our storm drains clear and flowing to capacity. When Grass and leaves pile up in the street gutter they flow to the drains and clog them up causing flooding in other areas.

To help with this effort, please do not blow grass and weeds into the street.

A copy of the ordinance prohibiting the deposit of grass and leaves in the street is listed below.

Continuing to do so may result in fines.

Deposit of grass, leaves, brush and litter in receptacles required.
