Failure to comply may result in penalty

Property owners, and the residents, in the Town of Federalsburg are reminded that the safety of our school children, visitors and pedestrians alike during snow and/or ice event is of utmost importance. It is the responsibility of property owners to clear accumulations of snow and/or ice from all walkways adjoining their property.

The Town Code and Charter under §197-16 and §197-17 include provisions that require that you take the time to clear all sidewalks adjoining your property within 24 hours (48hrs. for heavy snow events) after the cessation of snowfall, sleet and/or ice and continue to keep the walkways free from any hazardous conditions.

The Town Code and Charter under §197-16 also includes provisions that prohibit the placement of snow and/or ice, by any means, into or on the streets and sidewalks. The Town of Federalsburg asks, that property owners place snow and/or ice from parking areas, driveways and sidewalks onto the property or have it removed accordingly.

Thank you in advance for your cooperation!
